Dear Mr. Polacheck:-

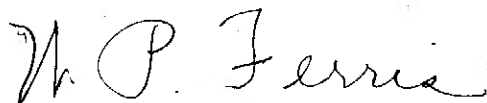

Just a line to thank you on behalf of Mr. Noetzel and myself for the opportunity we had of becoming better acquainted with the operations of the Milwaukee Amateur Radio League.

I cannot say too much for your courtesy and kindness. If your club continues along the thoughtful, painstaking lines it is following now, I can see nothing but success ahead from your spirit of helpfulness to the radio world in general.

Thanking you again for your interest, I am

Very sincerely,
